Entered at the Post Office at Keytesville Mo.
as second-class mail matter.

So long as the main props of a house, even a house of worship, remains, the house wont fall.

"Dwell ye together in Peace" is not taken literally by some church members. It means dwell together and peaceably. Why not?

We have heard it said that print paper is cheaper, but we have not yet heard the fellow who has paper to sell say so. Cite us. We paid as much last week for a half ton as it cost a month ago and the price is the same this week.

England nabbed an American ship and took all the mail it carried.

The ship was a tank line steamer and had nearly reached Halifax.

Also, in the same issue of some of the Metropolitan papers in which scare heads about Mexico being invited to help Germany in case of a break with the U. S. was an account of England forcing American ships which landed there to carry munition of war and anything else the allies needed, across the Channel to France. Our ship owners could not help themselves and it appears nobody else would help them, or has not done so yet.

Just what course president Wilson will take with the consent of Congress which will be called in extra session about the first of April, is not known except that thru the secretary of the Navy rushing work on naval vessels, recruiting for the navy and regular army and such other preparations as can be made to indicate that we are in it to some purpose. Germany has committed the overt act and is hunting for more to commit and we must now stand pat. Sending U boat destroyers to co-operate with the Allies is contemplated. Col. Roosevelt was going after Germany full tilt but says we have nothing to go with, yet feels great elation because he knows of course, that his persistent talk of war brot about war. He should be put in a submarine chaser and started on his way to oblivion.

Rank Foolishness

You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in mid-summer as in mid-winter. The microbe that causes colds flourishes in damp, cold weather. To get rid of a cold take Chamberlain's Cough Remedy. It is effectual and is highly recommended by people who have used it for many years as occasion required, and know its real value. Obtainable everywhere.

A DANGEROUS MISTAKE

Keytesville Mothers Should Not Neglect Kidney Weakness In Children. Many children have weak kidneys. An early warning is bed-wetting. Often followed by backache, headache, languor.

"It's a mistake to neglect these troubles. To blame the child for its own distress.

Seek to check the cause. Save the child from dangerous kidney ills.

Doan's Kidney Pills are especially for weak kidneys.

Thousands of parents know their worth.

Read this testimony.

Mrs. J. Cochran, 601 S. Main St., Carrollton, Mo., says: "At one time my boy was badly troubled with his kidneys. The kidneys were too frequent in action and he was bothered continually. His body swelled, his hands being puffed and so stiff that he couldn't bend them. I was told of Doan's Kidney Pills and gave him some. They brought benefit at once and finally removed the trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mrs. Cochran recommends. Foster-Milburn Co., Props., Buffalo, N. Y.
